

Thornbridge Outdoors Residential Visit Prices for Sheffield Schools September 2018 – March 2019

The prices below apply to pupils at Sheffield state-funded schools, including academies and free schools. For prices for pupils at other schools please see the [relevant PDF](#) on our website and for other groups, such as clubs and groups of family and friends, please [contact us](#).

To aid visit planning and budgeting we have an inclusive approach to setting prices for school's residential visits to Thornbridge Outdoors called 'bundles'. 'Bundles' aren't fixed programmes and incorporate a lot of flexibility, aided by a range of optional 'bolt ons'.

The final price paid will be:

- the 'bundle' price (per pupil)
- + any 'bolt ons' chosen (per pupil)
- + any catering support chosen (per pupil)
- + any additional costs

The 'bundle' price is based upon visit length, accommodation to be used and the number of instructed sessions of activities per pupil. The initial minimum number of pupils to pay for will be on your booking form, although this may be raised depending on the number of activity groups that you require.
