

# Scavenger Hunt

First things first, make sure you know the following!

1. Where will you start from and where do you need to be (with your haul) when the time is up?
2. What is your time limit for this challenge? (30 minutes might work well!)
3. How will you know when the time is up? Will an adult let you know, or will you set an alarm?
4. Are you dressed appropriately for the weather (Do you need a raincoat, suncream or a woolly jumper?)
5. Where will you start from, and where do you need to be when your time is up?
6. Where can you hunt and where is out of bounds (Teachers, see the bug below for suggestions!)

At the end,  
you get 1 point for  
every correct item.  
Each item may only be  
counted once!

When  
you've  
done,  
you must  
make sure  
that the items collected  
(in particular live creatures)  
are returned to the exact  
spot that they  
were  
found.

Good  
luck!

## Did you know?

In the wild, a scavenger is an animal that takes any opportunity it can to make off with things that it finds lying around. It might pick up fruits on the ground that have fallen from the trees, or grab leftovers to eat from inside our rubbish bins. A scavenger might pick up twigs from the ground and build their nest with them, or they might scoop up a feather from the pavement or pick at the green moss on a wall and use these to line their nest!

e.g. You  
may only pick up  
natural objects (do  
not touch litter), stay  
2 metres from other  
people at all times, you  
mustn't go through any  
gates or over any walls/  
fences/hedges, you  
can't climb  
anything, and you  
mustn't go in the  
car park
