

Wizard's Rainbow Colour Hunt!

Your challenge has been set by a wizard whose magical powers enable him to command every colour of the rainbow. This challenge will require you to look closely at your surroundings... they're rarely one colour. Be a detective and look at the detail of the world around you. For example: a daisy might have white and pink petals, an orange or yellow centre, and a green stem with white hairs.

Draw a big picture of a rainbow and colour your rainbow in.

Cut along the lines of the rainbow, so you get lots of coloured semi circles. Ask an adult to help if you need help to do it safely.

Next, cut up your semi circles into small pieces of coloured paper. Put the pieces into a bowl and mix them around. Close your eyes, or blindfold yourself with a scarf.

Pick out 1 piece of paper from the bowl and challenge yourself to find something with that colour on either inside or outside.

If you want a more difficult challenge, pick out 2 different pieces of paper.

If you pick out 2 pieces of paper of the same colour you have to find something with only that colour on it.

But if you pick out 2 different colours, your object has to have both those 2 colours on it - that's tricky!

Careful!

Don't pick living plants or flowers (let them grow!), and avoid plants that are prickly or sting. If you're playing this outside, only touch natural objects. If you're unsure, check with an adult before you touch something.

When you've finished, remember to wash your hands!
